

# Declercq Arnaud

## Curriculum Vitae

2007

### 1 Personnel Details

Date of birth : 26/07/1981  
Address : 29, rue J. Joirkin - 4357 Donceel - Belgium  
Nationality : Belgian  
Phone : +32 (0)19 54 52 20  
GSM : +32 (0)485 35 21 05  
E-mail : Arnaud.Declercq@ulg.ac.be  
Home page : <http://www.montefiore.ulg.ac.be/~declercq/>

### 2 Research and Work experiences

2007-now : Teaching Assistant, University of Liege - Belgium.  
Course : "Programming Language Structure".

2005-now : PhD Student Project in Computer Science, University of Liege - Belgium.  
Title : "Unsupervised Learning of Articulated Visual Feature Hierarchies".

2006-2007 : Master Degree Project (6 months), University of Liege - Belgium.  
Title : "Simultaneous Learning and Tracking of Non-rigid, 2D Appearance Models".

2004-2005 : Engineering Degree's Last Year Project (6 months), University of Liege - Belgium.  
Title : "Motion Texture - Apprentissage, synthèse et reconnaissance de mouvements naturels".  
("Motion Texture - Learning, synthesis and recognition of natural motions").

#### Publications

- Arnaud Declercq, Justus Piater, **On-line Simultaneous Learning and Tracking of Visual Feature Graphs**. Online Learning for Classification Workshop, 2007 (Workshop at CVPR, Minneapolis, MN, USA).

### 3 Education and Qualifications

2005-now : PhD in Computer Science, University of Liege - Belgium.

2006-2007 : Master Degree (DEA) in Computer Science, University of Liege - Belgium.

1999-2005 : Engineering Degree in Computer Science (5 years program), University of Liege - Belgium.

### 4 Skills

Computer : Languages : C, C++, Java, Matlab, Visual Basic, MySQL, html, latex, javascript, Scheme.  
Specific Libraries : OpenGL, Lti-Lib, SDL.

Languages : English, fluent.  
Dutch, school level.

### 5 Interests and Activities

Computer : AI and game computing, 3D design (3D Studio Max).

Social : Go game, fencing, acrobatic rock.

Others : Travelling, cinema, reading.
